# How to register on Eaml2

eAML2
Electronic Movement Licensing

In order to register to use the Eaml2 website you first need to have received your own pig herd mark from Animal health (03000 200 301) as you will need that information to fill out the registration screens.

Producer Registration

You will need to know all the required information as ALL sections MUST be completed.

Please enter your email address:

[ ]

We will send your username and password to this address, use it for correspondence in connection with the production site you are registering.

When entering your email address please check there are no errors as your login details will be sent to the email address that you register with

Please enter the following identifiers for your production site:

Country:

[England ▼]

Holding Number

[ ] / [ ] / [ ]

Please provide an English CPH number in the format '00/000/0000'

If you are unsure of your holding number, you can contact the RPA and they can advise you of this

Herd Mark

[ ]

Please provide the herd mark in the format 'AB1234'

If you are unsure of YOUR pig herd mark, the APHA can advise you of this

Postcode

[ ]

Enter the postcode for the site address

The postcode you should enter refers to where the pigs are being housed, NOT your home address, unless the postcode is the same
