

Farm to Farm User Guide

It is now a legal requirement that all pig movements be recorded electronically.

To do electronic pig movement licences you will first need to log onto www.eaml2.org.uk

You will then need to enter your user name & password on the registered user section and click login.

The screenshot shows the eAML2 website interface. At the top, there is a navigation bar with the AHDB PORK logo and tabs for 'About eAML2', 'Help', 'Contact Us', 'Pig Health', and 'ZNPC'. Below the navigation bar is a banner that says 'Sign up to the NEW AHDB Pork Significant Diseases Charter for early warning of disease outbreaks in your region.' The main heading is 'eAML2 Electronic Movement Licensing' with icons for a truck, a pig, a mobile phone, and a computer mouse. There are three main panels: 'Registered Users' with fields for Username (ngm2) and Password, a 'Log In' button, and a 'Remember me next time' checkbox; 'Register with eAML2' with a truck icon and a green arrow; and 'Not registered and received a movement?' with a pig icon, a document icon, and a green arrow. At the bottom, there are sections for 'eAML2 Contact Details' and 'Bureau Service & Helpline Opening Times'.
