

Market Movements and Confirmations

It is now a legal requirement that all pig movements be recorded electronically.

To do electronic pig movement licences and confirmations you will first need to log onto www.eaml2.org.uk

You will then need to enter your user name & password on the registered user section and click login.

The screenshot displays the eAML2 website interface. At the top, there is a navigation bar with the AHDB PORK logo and links for 'About eAML2', 'Help', 'Contact Us', 'Pig Health', and 'ZNPC'. Below the navigation bar, a banner reads 'Sign up to the NEW AHDB Pork Significant Diseases Charter for early warning of disease outbreaks in your region.' The main heading is 'eAML2 Electronic Movement Licensing', accompanied by icons of a pig, a truck, a mobile phone, and a computer mouse. The interface is divided into three main sections: 'Registered Users', 'Register with eAML2', and 'Not registered and received a movement?'. The 'Registered Users' section contains a login form with fields for 'Username' (containing 'ngm2') and 'Password' (masked with dots), a 'Log In' button, and a 'Remember me next time' checkbox. Below this is a 'Forgotten password?' section with an 'E-Mail Address' field and a 'Send Password' button. The 'Register with eAML2' section features a truck icon with a green arrow and text: 'Choose this option if you are new to eAML2 and would like to register to set up a movement.' The 'Not registered and received a movement?' section features a document icon with a green arrow and text: 'Choose this option if you are new to eAML2 but have received a movement you need to confirm.' At the bottom, there are two sections: 'eAML2 Contact Details' with a helpline number '0844 335 8400*' and a note that calls are charged at 5p/minute plus access charge; and 'Bureau Service & Helpline Opening Times' with a note that the Bureau and Helpline Service Office are open Monday to Friday 9am to 5pm and do not operate on weekends or bank holidays.
