

# Confirming Received & Sent Movements

It is now a legal requirement that all pig movements be recorded electronically.

To do electronic pig movement licences and confirmations you will first need to log onto [www.eaml2.org.uk](http://www.eaml2.org.uk)

You will then need to enter your user name & password on the registered user section and click login.

The screenshot shows the eAML2 website interface. At the top, there is a navigation bar with the AHDB PORK logo and tabs for 'About eAML2', 'Help', 'Contact Us', 'Pig Health', and 'ZNPC'. Below the navigation bar is a banner that says 'Sign up to the NEW AHDB Pork Significant Diseases Charter for early warning of disease outbreaks in your region.' The main heading is 'eAML2 Electronic Movement Licensing' with icons for a truck, a pig, and a mobile phone. There are three main sections: 'Registered Users' with fields for Username (ngm2) and Password (\*\*\*\*\*), a 'Log In' button, and a 'Remember me next time' checkbox; 'Forgotten password?' with an 'Email Address' field and a 'Send Password' button; 'Register with eAML2' with a truck icon and a green arrow; and 'Not registered and received a movement?' with a pig icon, a document icon, and a green arrow. At the bottom, there are two sections: 'eAML2 Contact Details' with a helpline number '0844 335 8400\*' and a note that calls are charged at 5p/minute plus access charge; and 'Bureau Service & Helpline Opening Times' with a note that the Bureau and Helpline Service Office operating hours are Monday - Friday 9am til 5pm and does not operate over the weekends or English bank holidays.
